Description:

The best-selling general psychiatry text since 1972, **Kaplan and Sadock's Synopsis of Psychiatry**

is now in its thoroughly updated Tenth Edition. This complete, concise overview of the entire field of psychiatry is a staple board review text for psychiatry residents and is popular with a broad range of students in medicine, clinical psychology, social work, nursing, and occupational therapy, as well as practitioners in all these areas. The book is DSM-IV-TR compatible and replete with case studies and tables, including ICD-10 diagnostic coding tables.

You will also receive access to the complete, fully searchable online text, an online test bank of approximately 100 multiple-choice questions and full answers, and an online image bank.
