Description:

The revised, 10th anniversary edition of the #1 *New York Times* bestseller

Over the past decade, *A Patriot's History of the United States* has become the definitive conservative history of our country, correcting the biases of historians and other intellectuals who downplay the greatness of America's patriots. Professors Schweikart and Allen have now revised, updated, and expanded their book, which covers America's long history with an appreciation for the values that made this nation uniquely successful.
