Description:

About the Author Saundra Jones grew up in Cleveland Mississippi and as an adult now resides in Indiana. She is married with two daughters ages 11 and 5 years old. Originally she started writing screen plays at the age of twelve and as an adult her need to create intensified. This intensity produced her first self published novella titled Owing Up . Unable to stop there and with the voices and emails of fans requesting more she penned two more novels. Her journey as a published writer began with Delphine Publications in 2012 and is currently working on my next project.
