Description:

From Library Journal Though not out of print, this popular title is being added to the venerable "Modern Library" line to coincide with a PBS Masterpiece Theatre miniseries. Along with the full text, this edition includes an introduction by A.S. Byatt. All that for \$15 makes this a bargain. Review "No Victorian novel approaches Middlemarch in its width of reference, its intellectual power, or the imperturbable spaciousness of its narrative."

--V. S. Pritchett
