**About the Author** In her other life, Kady Cross is a USA TODAY bestselling author of over 20 books. She lives with her husband who shares her love for the slightly twisted and all things geek, and a houseful of cats with whom she shares all her secrets. When not writing, she\u2019s either trying to create the perfect lip gloss or teaching herself to solder. She has a weakness for all things girly, sugar skulls and boots. Her love of books and makeup borders on addiction. Visit her at [www.kadycross.com](http://www.kadycross.com).
