Description:

For His Pleasure is a New York Times and USA Today bestselling series, and with each new book, the romance only gets hotter.

Scarlett Evers has gone back to a life she never wanted. Working as a waitress in Hell's Kitchen, she's trying her best to forget about hot film director Bryson Taylor and the intimate moments they

shared before everything went wrong.

But when Bryson appears back in Scarlett's life once more, things become more complicated than she could ever imagine. Because the film he is working on has only gotten crazier, and the pressure is even more intense.

On top of that, old ghosts from Scarlett's past keep popping up.

Some of them are from the recent past, but others go back a long way--and these ghosts will not rest.

Will Bryson finally learn to believe in Scarlett and love her, even with all of her baggage? Or will new problems come to light that threaten to destroy their relationship yet again?

With His Belief (For His Pleasure, Book 14) is a 30,000 word tale of lust, submission, power and ultimately--a love story for the ages.
