Asunto: Preliminary Draft Agreement to amend the Telecommunications and Broadcasting Conformity Assessment Procedure

Dear Sirs

I am writing [REDACTED] to express our support for the proposed amendments to the Telecommunications and Broadcasting Conformity Assessment Procedure.

We are particularly interested in the proposal concerning 'Non-transferability of Certificates of Conformity' as the current rules make the cost of certification prohibitively high for companies with multiple importation channels in Mexico. We are very keen that the requirements be adjusted such that multiple importers may make use of a single approval certificate (with permission of the holder).

Thank you in advance.

Gemma
